

# Try Our New Double Smoke Oil!

## About Double Smoke Oil

Double Smoke Oil is a product designed to elevate the end user culinary experience. With a unique blend of flavours, this premium double smoke oil adds a rich and nuanced smokiness to your dishes, promising to enhance the taste and aroma for your customers.

## Benefits of Double Smoke Oil

- Intense and authentic smoky flavour.
- Versatile application in a variety of categories.
- The Grayson consistency in quality for providing high deliverable results.

## Why Choose Double Smoke Oil?

We believe that once you've had the opportunity to try Double Smoke Oil, you'll see the potential growth opportunities, as an addition to the already successful Smoke Oil. We are confident that it will meet your expectations and create opportunities now or in the future.

## You're Invited to Try It First

As a Grayson customer, you have been identified as a potential user who can truly appreciate the quality and benefits of Double Smoke Oil. We would like to offer you a complimentary sample for trials at your convenience.

## How to Receive Your Sample

We will send you a sample, unless you advised on this occasion you would prefer not to participate. Our team will ensure it reaches you promptly, allowing you to explore its versatility and experience the difference it can make in your own innovation and product development.

## Grayson will arrange sample.
